27 January 2022

Dear Parents / Guardians,

Primary 6 School-Based Assessments 2022

Primary 6 students will be sitting for Semestral Assessment One (SA1) in term 2. The weightings for SA1 and Preliminary Examination are as shown in the table below.

	Weighting
SA1 Term 2	30%
Preliminary Examination Term 3	70%

Please note the following:

- 1. The reporting and dismissal time for school is as usual during the assessment period. Latecomers may not be allowed to sit for the assessment.
- 2. Students who are unwell are advised to seek medical care and not take the assessment.
- 3. Students who are absent from the assessment must produce a medical certificate (MC). Only MCs issued by registered doctors are accepted.
- 4. MCs should be submitted to the Form Teacher as soon as the student returns to school.
- 5. There will be no make-up papers for all assessment papers.

Besides SA1 and Preliminary Examination, there are also non-weighted assessments in term 1. These are checkpoints to monitor student's learning and help him/her to progress.

The schedule, format and scope for Primary 6 SA1 are attached. A soft copy of the assessment schedule is placed in our website, under Empowering Curriculum, Assessment Plans.

Details for the Preliminary Examination in term 3 will be given later in the year.

For any queries, please contact your child's Form Teacher.

Thank you

Yours sincerely,

Mr. Michel Saw Principal
